

Fidelis Insurance Ireland DAC - COVID-19 Visitor Questionnaire

As the coronavirus disease 2019 (COVID-19) outbreak continues to evolve and spreads globally, we are monitoring the situation closely and will periodically update company guidance based on current recommendations from the Irish Government and the World Health Organisation. Only business critical visitors are permitted on our premises at this time.

To prevent the spread of COVID-19 and reduce the potential risk of exposure to our workforce and visitors, we are conducting a simple screening questionnaire. Your participation is important to help us take precautionary measures to protect you and everyone in the Fidelis Office. Thank you for your time.
